## "Couldn't Sleep From the Terrible Itching."

"First Night I Used Zema-Cura I Slept Well."

"I gratefully recommend your wonderful medicine, Zema-Cura. For three months I suffered the most ACUTE annoyance with that dreadful disease, Eczema. Couldn't sleep from the terrible itching. Had about given up all hope of being cured, when in despair I bought a bottle of Zema-Cura. The first night after the first application I enjoyed a sound and refreshing sleep, the next restful sleep in three months. I bought three bottles in all and am today entirely cured."

WILLIAM JOHNSON, Pres't Pittsburgh Mfg. Co.,  
28th and Railroad sts., Pittsburgh, Pa.  
Why should any Eczema sufferer continue to suffer when Zema-Cura will positively cure him? You take no risk in using Zema-Cura. It is absolutely safe. Physicians recommend it and prescribe it. It is the only SAFE, SURE CURE for Eczema known to medical science.

## ZEMA-CURA

Is a liquid, applied externally. It has none of the disagreeable features of a salve or ointment. It is the only CURE of skin diseases yet discovered. Zema-Cura will positively cure Eczema, Acne, Boas, Herpes, Lupus, Erysipelas, Urticaria (Nettle Rash), Barber's Itch, Molluscum, Bites, Blackheads, Pimples and Blotches on the face, Hives, Burns, Cuts or any itching condition of the skin or scalp.

## DANGER.

Many of the lotions and salves alleged to be cures for Eczema and other skin diseases are positively a menace to sufferers. They contain OPiates to allay irritation, and the awful effects resulting from their use are often worse than the disease itself. Such compounds may apparently relieve, but THEY DO NOT CURE, and the danger of using them is terrible to contemplate. THERE IS NO SUBSTITUTE FOR ZEMA-CURA. No other remedy is even similar to it. ZEMA-CURA is a scientific prescription, and has been used with great success for years by eminent physicians in the treatment of skin diseases. The genuine ZEMA-CURA has restored thousands of sufferers from torturing skin diseases to perfect health; it is an absolutely SAFE remedy; mothers can use it on their babies without the slightest fear. Imitations contain opiates and other drugs and chemicals extremely dangerous; avoid them as you would the plague.

If you have the slightest difficulty in procuring Zema-Cura from your druggist write direct to the ZEMA-CURA CO., 7 West 23d st., New York, and it will be shipped postpaid on receipt of price, 50 cents and \$1.00 per bottle. ## ALEXANDRIA AFFAIRS

Short Session of City Council Held Last Night.

## BUSINESS CONSIDERED

YOUNG WOMAN FALLS UNDER CAR WHEELS.

Foot Mashed, Necessitating Amputation—Young Man Accused of Stealing Jail Key.

Evening Star Bureau,  
Bell Telephone 106.  
ALEXANDRIA, Va., June 10, 1903.

A brief session of the city council was held last evening, when several matters of local interest were disposed of. Alderman Curtin presided in the higher board in the absence of President Sweeney and President Paff occupied the chair in the common council. A favorable report was received from the street committee on the resolution appropriating \$500 to gutter Gibbon street from Washington street to Patrick street and the report was adopted. Councilman Johnson, at the request of Councilman Normoye, who was unable to be present, presented an electric light proposition from Mr. Charles F. Thompson, an electrician of this city, who offered to furnish electricity for general purposes at reduced rates. It was referred to the committee on finance and light.

Council passed a resolution authorizing the board of health to call upon the corporation attorney for legal advice on certain matters which come before the board involving the right of that body to compel citizens to abate nuisances. A complaint was received from the city school board asking for an appropriation of \$1,200 for certain improvements which the board has decided to make in the Peabody building on King street. A petition was referred, as was also the resignation of Mr. R. P. Aitchison of the first ward as member of the school board. A petition was received from a number of people who rent stalls in the market asking that laws be passed to restrict the business of hucksters. The matter was discussed at some length and was finally referred. The market people claimed that the enactment of such ordinances as they suggested would restore the business importance of the market. Council adjourned after considering several other matters.

**Young Woman Injured.**  
Violet Byrd, a young woman residing on North Lee street, had her right foot so badly mashed last evening in the yard of the Bluemont division of the Southern railroad in the northern section of the city that amputation was performed at the Alexandria Hospital, where she was conveyed soon after the accident. Shortly after 7 o'clock the young woman and several companions were crossing the yard when a freight engine backed some box cars past them. It is said that she climbed upon the steps of one of the cars, and, missing her foot was terribly mashed. At the hospital this morning it was stated that the young woman was doing as well as could be expected.

**Prisoner Said It Was a Joke.**  
The name of F. C. Bowie was called in the police court this morning to answer the charge of "stealing a key from the city jail." The accused, however, did not appear and the sum of \$15 which he had left as collateral was forfeited. The man visited the city jail yesterday and was shown about the building by Warden Candler. When the visitor had departed, the warden noticed that a big brass key was used in the door opening into what is known as the "bull pen," was missing. Suspecting that the key had been taken, he called the jail official notified police headquarters and Officer Young soon after located the man and placed him under arrest. He stated that he had taken the key as a joke on the warden. The man gave his name as above stated and said that he was a railroad engineer.

**Firemen Take Journey.**  
Nearly fifty members of the Columbia Fire Company left Alexandria early this morning on a train for Baltimore and Ohio railroad for Frederick, Md., to take part in the exercises attendant upon the annual convention of the Maryland Firemen's Association. The company was under the command of Foreman Charles Dearborn. The firemen were accompanied by a drum and bugle band, and the old hose reel which was partially destroyed by fire some time ago, but which was repaired and decorated for the occasion.

**General Matters.**  
James Fegan was before Mayor Simpson in the police court this morning on the charge of assaulting Samuel McNeely with a pistol, and the latter was charged with using abusive language to Fegan. When the case was heard, the principals seemed disposed to minimize the importance of their trouble, and a fine of \$5 each was imposed. Officers Knight, Bettis and Beach made the arrest. The attention of the officers was attracted yesterday by a pistol shot in the saloon operated by Fegan on Princess street.

Miss Hattie M. Johnson, daughter of Mr. Samuel C. Johnson, and Mr. Richard Latham were quietly married Monday evening at the parsonage of Trinity Methodist Episcopal Church. Rev. J. A. Jeffers, the pastor, performed the ceremony.

Mrs. John McKenna has returned to her home in Prince street from Washington, where she has been for some time under treatment at Providence Hospital. Her condition is somewhat improved.

The regular monthly meeting of the Seventeenth Virginia Regiment Chapter, United Donators of the Confederacy, will be held this afternoon in Lee Camp Hall in Prince street.

Mr. J. Fred Peaks, professor of Latin at Randolph-Macon Academy, Front Royal, has returned to his home on Braddock Heights, Alexandria county, for the summer vacation.

Mr. Farran Stump, a student at Randolph-Macon Academy, has returned to the home of his father, Rev. J. P. Stump, in King street.

Mr. J. Randall Caton, a senior student in the law department at the University of Virginia, returned last evening to his home in this city.

## CONGRESS HEIGHTS.

Meeting of Citizens' Association for Consideration of Business.

The Congress Heights Citizens' Association met last evening in the organization's hall, on the Hamilton road in that suburb, with Mr. O. A. Emmons, the president, in the chair. Mr. Charles F. Purdy served as secretary, to which place he was chosen recently, following the resignation of the office by Mr. Valentine Wahler. There was a large attendance of citizens. A report concerning the progress of the celebration that is to be held under the auspices of the association at the coming dedication of the Congress Heights fire engine house was made by Mr. Gustave Bender, who began by announcing that the date for the dedication could not yet be definitely determined, as the authorities had informed him of several improvements to be opened. He added that, with the active assistance being rendered by the ladies of the town, the prospects for a successful dedication are bright.

Mr. Purdy, the secretary, made announcement of the fact that the Patriotic Sons of America have decided to hold their Fourth of July celebration this year at Congress Heights. He stated that the date for the members that an attractive program has been arranged by the society for
